RESEARCH REPORT: RR 25358
(CSI # 03050)

BASED UPON ICBO ES EVALUATION
REPORT NO. 5102

REEVALUATION DUE DATE:
December 1, 2005

GENERAL APPROVAL - Reevaluation - CTS Rapid Set One Coat Stucco System

DETAILS

The above products are approved when in compliance with the description, use, identification and findings of Report No. 5102, dated October 1, 2001, of the ICBO Evaluation Service, Incorporated. The report, in its entirety, is attached and made part of this general approval.

DISCUSSION

The approval is based on tests.

This general approval will remain effective provided the Evaluation Report is maintained valid and unrevised with the issuing organization. Any revisions to the report must be submitted to this Department, with appropriate fee, for review in order to continue the approval of the revised report.

Addressee to whom this Research Report is issued is responsible for providing copies of it, complete with any attachments indicated, to architects, engineers and builders using items approved herein in design or construction which must be approved by Department of Building and Safety Engineers and Inspector

CTS Cement Manufacturing Company
RE: CTS Rapid Set One Coat Stucco System

This general approval of an equivalent alternate to the Code is only valid where an engineer and/or inspector of this Department has determined that all conditions of this Approval have been met in the project in which it is to be used.

The status of the referenced Evaluation Report No. 5102 dated October 1, 2001, which is currently beyond its reexamination date is still valid. The validity of the evaluation report was verified with ICBO.
